

Summer Event 2010

How Can You Help?

Our Very Own Inkerman Area Festival in Kentish Town, which grows bigger every year, will take place on July 4th, in Alma Street. We, the local residents, invite you to take part in this special event. It is the opportunity for meeting and getting to know fellow business owners, local police, firemen, dustmen, children from local schools and clubs, members of local churches and the residents.

It is a chance to get to know and get involved!

The more people we get to know and appreciate, the more harmonious and supportive a community we can build.

We want to thank all of you that have donated to this event in the past and we would appreciate your support again this year.

- You could take a stall and promote your business/products
- You could donate fabulous raffle prizes
- You could help by supplying a tent for shelter on the day
- You could come and enjoy yourself and meet new people

Either way we have an amazing line-up of musical talent, exciting events for young ones, brilliant music for the ones in the middle and tunes reminiscent of the past for the older generation.

4th July 2010, Alma Street, 12-7pm

We will acknowledge and thank you on our website.

Please contact: **Diana Baynes: 07908 103701** for all GENERAL enquiries

Anne Hearn: 0207 4852214 for all STALL enquiries and bookings
